FULL TEXT OF PROPOSED AMENDMENT:

ARTICLE VII

FINANCE AND TAXATION

SECTION 1. Taxation; appropriations; state expenses; state revenue limitation.—

(a) No tax shall be levied except in pursuance of law. No state ad valorem taxes shall be levied upon real estate or tangible personal property. All other forms of taxation shall be preempted to the state except as provided by general law.

(b) Motor vehicles, boats, airplanes, trailers, trailer coaches and mobile homes, as defined by law, shall be subject to a license tax for their operation in the amounts and for the purposes prescribed by law, but shall not be subject to ad valorem taxes.

(c) No money shall be drawn from the treasury except in pursuance of appropriation made by law.

(d) Provision shall be made by law for raising sufficient revenue to defray the expenses of the state for each fiscal period.

(e) Except as provided herein, state revenues collected for any fiscal year shall be limited to state revenues allowed under this subsection for the prior fiscal year plus an adjustment for growth. As used in this subsection, "growth" means an amount equal to the average annual rate of growth in Florida personal income over the most recent twenty quarters times the state revenues allowed under this subsection for the prior fiscal year. For the 1995-1996 fiscal year, the state revenues allowed under this subsection for the prior fiscal year shall equal the state revenues collected for the 1994-1995 fiscal year. Florida personal income shall be determined by the legislature, from information available from the United States Department of Commerce or its successor on the first day of February prior to the beginning of the fiscal year. State revenues collected for any fiscal year in excess of this limitation shall be transferred to the budget stabilization fund until the fund reaches the maximum balance specified in Section 19(g) of Article III, and thereafter shall be refunded to taxpayers as provided by general law. State revenues allowed under this subsection for any fiscal year may be increased by a two-thirds vote of the membership of each house of the legislature in a separate bill that contains no other subject and that sets forth the dollar amount by which the state revenues allowed will be increased. The vote may not be taken less than seventy-two hours after the third reading of the bill. For purposes of this subsection, "state revenues" means taxes, fees, licenses, and charges for services imposed by the legislature on individuals, businesses, or agencies outside state government. However, "state revenues" does not include: revenues that are necessary to meet the requirements set forth in documents

authorizing the issuance of bonds by the state; revenues that are used to provide matching funds for the federal Medicaid program with the exception of the revenues used to support the Public Medical Assistance Trust Fund or its successor program and with the exception of state matching funds used to fund elective expansions made after July 1, 1994; proceeds from the state lottery returned as prizes; receipts of the Florida Hurricane Catastrophe Fund; balances carried forward from prior fiscal years; taxes, licenses, fees, and charges for services imposed by local, regional, or school district governing bodies; or revenue from taxes, licenses, fees, and charges for services required to be imposed by any amendment or revision to this constitution after July 1, 1994. An adjustment to the revenue limitation shall be made by general law to reflect the fiscal impact of transfers of responsibility for the funding of governmental functions between the state and other levels of government. The legislature shall, by general law, prescribe procedures necessary to administer this subsection.

ARTICLE XII SCHEDULE

SECTION 21. State revenue limitation.
The amendment to Section 1 of Article VII limiting state revenues shall take effect January 1, 1995, and shall first be applicable to state fiscal year 1995-1996.

NO. 3 CONSTITUTIONAL AMENDMENT

ARTICLE X, SECTION 16

BALLOT TITLE: LIMITING
MARINE NET FISHING

BALLOT SUMMARY: Limits the use of nets for catching saltwater finfish, shellfish, or other marine animals by prohibiting the use of gill and other entangling nets in all Florida waters, and prohibiting the use of other nets larger than 500 square feet in mesh area in nearshore and inshore Florida waters. Provides definitions, administrative and criminal penalties, and exceptions for scientific and governmental purposes.

FULL TEXT OF PROPOSED AMENDMENT:

BE IT ENACTED BY THE PEOPLE OF FLORIDA THAT:

Article X, Florida Constitution, is hereby amended to add the following: Section 16. Limiting Marine Net Fishing.

(a) The marine resources of the State of Florida belong to all of the people of the state and should be conserved and managed for the benefit of the state, its people, and future generations. To this end the people hereby enact limitations on marine net fishing in Florida waters to protect saltwater finfish, shellfish, and other marine animals from unnecessary killing, overfishing and waste.

(b) For the purpose of catching or taking any saltwater finfish, shellfish or other marine animals in Florida waters:

(1) No gill nets or other entangling nets shall be used in any Florida waters; and

(2) In addition to the prohibition set forth in (1), no other type of net containing more than 500 square feet of mesh area shall be used in nearshore and inshore Florida waters. Additionally, no more than two such nets, which shall not be connected, shall be used from any vessel, and no person not on a vessel shall use more than one such net in nearshore and inshore Florida waters.

(c) For purposes of this section:

(1) "gill net" means one or more walls of netting which captures saltwater finfish by ensnaring or entangling them in the meshes of the net by the gills, and "entangling net" means a drift net, trammel net, stab net, or any other net which captures saltwater finfish, shellfish, or other marine animals by causing all or part of heads, fins, legs, or other body parts to become entangled or ensnared in the meshes of the net, but a hand thrown cast net is not a gill net or an entangling net;

(2) "mesh area" of a net means the total area of netting with the meshes open to comprise the maximum square footage. The square footage shall be calculated using standard mathematical formulas for geometric shapes. Seines and other rectangular nets shall be calculated using the maximum length and maximum width of the netting. Trawls and other bag

type nets shall be calculated as a cone using the maximum circumference of the net mouth to derive the radius, and the maximum length from that net mouth to the tail end of the net to derive the slant height. Calculations for any other nets or combination type nets shall be based on the shapes of the individual components;

(3) "coastline" means the territorial sea base line for the State of Florida established pursuant to the laws of the United States of America;

(4) "Florida waters" means the waters of the Atlantic Ocean, the Gulf of Mexico, the Straits of Florida, and any other bodies of water under the jurisdiction of the State of Florida, whether coastal, intracoastal or inland, and any part thereof; and

(5) "nearshore and inshore Florida waters" means all Florida waters inside a line three miles seaward of the coastline along the Gulf of Mexico and inside a line one mile seaward of the coastline along the Atlantic Ocean.

(d) This section shall not apply to the use of nets for scientific research or governmental purposes.

(e) Persons violating this section shall be prosecuted and punished pursuant to the penalties provided in section 370.021 (2) (a), (b), (c) 6. and 7., and (e), Florida Statutes (1991), unless and until the legislature enacts more stringent penalties for violations hereof. On and after the effective date of this section, law enforcement officers in the state are authorized to enforce the provisions of this section in the same manner and authority as if a violation of this section constituted a violation of Chapter 370, Florida Statutes (1991).

(f) It is the intent of this section that implementing legislation is not required for enforcing any violations hereof, but nothing in this section prohibits the establishment by law or pursuant to law of more restrictions of the use of nets for the purpose of catching or taking any saltwater finfish, shellfish, or other marine animals.

(g) If any portion of this section is held invalid for any reason, the remaining portion of this section, to the fullest extent possible, shall be severed from the void portion and given the fullest possible force and application.

(h) This section shall take effect on the July 1 next occurring after approval hereof by vote of the electors.
